

# Value+

## Cable Length Meters

- No Calibration is needed for general measurement
- Allow User Calibration (WT26D) for precise measurement
- Able to measure cable made by non-standard materials
- Only need to connect the cable at one side
- Measure up to 300 meters
- Able to measure Lan cable (both 4P4C & 8P8C), Phone wire and BNC cable
- Intelligent wiremap (Shorts and Split Pairs)
- Digital and Analogue signal selectable (WT26C & WT26D)
- Auto power off
- With display backlight & flashlight
- Sensitivity adjustable
